As funding is very limited completed applications must be received by the due date and will be assessed on a number of factors including immediate need, personal circumstances, living arrangements, intended use and to ensure an even distribution of units between Larrakia family groups.

Air conditioning units are available for installation in the bedroom of eligible Applicants only.

Completed applications must be received by the LDC office no later than **10 December 2018**.

Incomplete applications may cause a delay in assessment or result in unsuccessful lodgement.
