## MEDIA RELEASE

### Partnership to provide new opportunities for Larrakia and Locals

Cape Australia Onshore (a wholly owned subsidiary of Altrad Group), a long-standing Berrimah-based business, has signed a Labor Hire Agreement with Larrakia Development Corporation (LDC).

The Agreement formalises a partnership which will see LDC provide local personnel to undergo upskilling training, Traineeships, Apprenticeships and conduct site services – leading to employment outcomes, particularly within the LNG industry.

In the coming weeks the first group of new candidates will undergo specialist skills training and product familiarisation so they can support Cape with local work scopes across the Northern Territory, including LNG infrastructure in the Greater Darwin Region.

LDC and Cape are excited to be working together to help build the long-term employment capacity of Larrakia and the local community.
