MEDIA RELEASE

21 April 2021

Congratulations Larrakia Scholarship Awardees

The LDC is pleased to announce the award of the 2021 Larrakia Development Corporation Scholarship Program (LDCSP) scholarships to Larrakia students.

This year saw the highest number of applicants and the highest number of scholarship awardees, with 11 Larrakia students receiving funding for the 2021 academic year.

Scholarships are awarded based on an assessment of the Larrakia student's commitment to their studies and the benefit back to the families and the Larrakia community. For 2021, the following scholarship types were made available:

- Tertiary Students: Completing a Doctorate or Masters level course.
- Tertiary Students: Completing a Bachelor level course.
- TAFE Students: Completing a Diploma level course.
- TAFE Students: Completing a Certificate level course.

The LDCSP has provided 23 Larrakia the funding for their tertiary education since 2019. The successful applicants' studies range from diploma level courses to two Larrakia students undertaking Doctorate studies. The successful applicants come from a broad range of fields of study, at universities spread across the country.

'The LDCSP is made possible through an ongoing funding partnership with the Larrakia INPEX Foundation Trust, a partnership that began with the LDC / INPEX MOU in 2009. This is just another example of how the LDC is working for all Larrakia families to help create access to higher education and successful career opportunities.'

'During the academic year the LDC will showcase this year's recipients to inspire other Larrakia to take up the challenge next year and in years to come.'
